CHOLERA!

HOW TO CURE IT.

At the commencement of the Diarrhora, which always precedes an attack of the Cholera, take a teaspoonful of the joining Lot No. 1, measuring 75 feet front, and Pain Killer in sugar and water, (hot, if convenient,) and running back 210 feet on Block No. 2, Railroad running back 210 feet on Block No. 2, Whiteh Pain Killer in sugar and water, (hot, if convenient,) and then bathe freely the stomach and bowels with the Pain Killer clear. Should the diarrhorn or cramps continue, repeat the dose every ten or fifteen minutes until the patient is relieved. In extreme cases, two or more teaspoonfals may be given at a dose.

The Pain Killer, as an internal remedy, has no equal. In cases of Cholera, Summer Complaints, Dyspensia Dysentery, Asthma, it cures in one night, by taking it internally and bathing with it freely. Its action is like magic, when externally applied to Old Sores, Burns, Scalds and Sprains. For Sick Headache and Toothache, don't fail to try it. In short, it is a PAIN KILLER.

Directions accompany each bottle. The Pain Killer is sold by all dealers in Medicines. Price, 25 cents, 50 cents and \$1 per bottle.

Sinking Slowly.

Diseases that progress rapidly to a crisis are not the only ones to be dreaded. Canker or dry rot does not blast a tree as suddenly as a stroke of lightning, out unless arrested, it destroys it as certainly; and in like manner chronic debility, although it does not kill with the swiftness of yellow fever, is as sure to sap the springs of life eventually as any acute disease, if not checked by invigorating medication. There is something inexpressibly touching in the spectacle of premature decay. Languor, pallor, emaciation, depression of spirits, and a distast for exertion, are its ordinary symptoms, and they should be promptly met by tonic treatment. The best invigorant and exhilarant that can be administered in a case of this kind is Hostetter's Stomach Bitters. The stimulating principle of the preparation rouses the dominant energies of the system, and the strengthening and regulating properties give a permanent and healthful impulse to the vital forces thus brought into play. The failing appetite is reawakened, the process of digestion and assimilation are quickened, the quality of the blood is improved, the secretions become more natural, and every organ that contributes to the nourishment of the bedy undergoes salutary change. By these means the repair of the physical structure is effected and its health and vigor restored. In no class of diseases has the beneficent operation of the Bitters been more marked and striking than in those characterized by general debuity and nervous prostration. Ladies affected with these aliments find in this most wholesome of all tonics and correctives the safest and surest means of relief. It is strong to restore and powerless to injure. Such is the uniform testimony of "clouds of witnesses." ness of yellow fever, is as sure to sap the springs of life

Our Manufacturing Interests.

The manufacturers of the North have asked for and obtained the assistance of the National Government until they have become a burden to the people at large, and the tax paid by the United States for the support of the manufacturers is equal to all the other taxes put together Let our manufacturers make goods of better quality, and at lower prices, than other manufacturers, and they can defy competition without Government help. This, at least, is the plan of Mr. P. P. Toale, of Charleston, S. C., the largest and most successful manufacturer of Doors, Sashes Blinds and Mouldings in the Southern States.

Why Do You Cough ?

When it is in your power to relieve yourself; a few doses of DR. TUTT'S EXPECTORANT will cure you and allay the apprehensions of your friends; moreover, it is pleas ant to take, it produces no nausea, and strengthens the Lungs and throat to resist attacks in the future. Mothers need not dread the Croup when they have a bottle of this valuable compound on their Mantlepiece.

"The Life is the Blood."

FROM it we derive our strength, beauty and mental capabilities. It is the centre of our mental capabilities. It is the centre of our being, around which revolves all that makes existence happy. When this source is corrupted the painful effects are visible in many shapes, prominent among which is

SCROFULA.

This is a taint or infection of the human organ-

ism, and probably no one is wholly free from i It exhibits itself in various shapes - as Ulcers and Sores, Decayed Bones, Diseased Scalp, Sore Eyes, Weak and Diseased Joints. St. Vitus' Dance, Foul Discharges from the Nostrils, Eruptions, Glandular Swellings, Throat Affections, Rheumatism, Heart Affections, Nervous Disorders, Barrenness, Disorders of the Womb, Dropsy, Syphilitic Affec tions, Liver Complaint, Salt Rheum, Dyspepsia, Neuralgia, Loss of Manhood and General Debility It has been the custom to treat these diseases with Mercury and other Mineral substances, which, though sometimes producing a cure, often prove injurious and entails misery in after life. The long known injurious properties of these so-called alteratives and purifiers has led the philanthropical man of science to explore the arena of nature, the result of which has been the discovery of vegetable products which possess the power of eradicating these Taints from the Blood.

DR. TUTT'S COMPOUND EXTRACT OF

Sarsaparilla and Queen's Delight Is the acknowledged antidote to all Blood Diseases. By its use the afflictions above enumerated can be permanently banished, and the Source- the Centre of Life-the Blood, Be maintained in all its purity and vigor.

For Diseases produced by the use of Mercury, and for Syphilis, with its train of evils, this Compound is the only sure antidote.

To the poor creature, enfeebled in mind and body, by secret practices, whose nerves are unstrung, and countenance downcast,

THE SARSAPARILLA

Is a blessing. Try it fairly, and your nerves will be restored to their wonted vigor, and your dejected countenance be made radiant with the con-sciousness of RESTORED MANHOOD.
